SIR:

RESPONSE

In response to the Notice of Non-Compliant Amendment mailed March 29, 2004, please accept the following replacement "CLAIMS AMENDMENT" section for the Amendment filed March 3, 2004 in the above-captioned application.

The enclosed amendment includes the proper identifier for cancelled claims 1-30 and corrects the claim numbering for what had been submitted as new claims 42-69, which have now been correctly identified as claims 51-78. Hence upon entry of the March 3rd amendment, together with this response, claims 31-40 and 51-78 will be pending and in condition for allowance.

The previous amendment was in reply to a non-final office action, and this submission is being filed within one month of the mailing date of the Notice itself. In turn, it appears that no extension is required, although the Commissioner is hereby authorized to charge any additional fees that may be required, including filing or extension fees, to Deposit Account No. 06-1910.
